## Additional Rate Information

**Housing is subject to minimum occupancy charge of 50%.**

**Booking less than 3 meals per night stayed:** Should a group like to make a package plan reservation for less than three meals per night stayed, the deduction allowance for all guests is as follows: Breakfast \$1, Lunch \$2, & Dinner \$3.

**Missed Meals:** There are no refunds for missed meals. Because we base our pricing off packages, if a conferee decides not to attend a meal during his/her conference stay, there will be no monetary deduction for doing so.

**Recreational Fees:** Additional recreation options (Archery, Ropes Course, Canoes, etc.) are available and fees vary depending on requests.

**Part-time Guests:** Throughout our many years of working with guest groups, we have come to realize that while allowing for part-time attendance may seem favorable initially, it actually ends up taking away from the overall community dynamic. Therefore, we do not encourage part-time attendance. However, should a retreat group need to accommodate a part-time guest, the minimum overnight charge will be the one night and three meal rate: Adult \$72 for guests using the package plan. Adult \$52 for guests not on the package plan.

**Re-Booking Your Retreat:**

Sumatanga enjoys continual relationships. Therefore, once your retreat has solidified a weekend date in our booking system, your group may have the opportunity to re-book that same weekend as it falls on the calendar for the upcoming year. Retreats have 2 weeks once their retreat ends to re-book for the following year. Should the 2-week period lapse, and no contract/deposit has been received, then the retreat dates will become available to other groups.
