Description of Package Plans

All rates include lodging, meals, 1 meeting space per group (additional may be available for a fee), wi-fi, non-facilitated recreational activities, a 24-hour Sumatanga host, and audio/visual equipment (prior arrangement necessary).

Sumatanga does not provide a wait-staff for meals. Therefore, guests must help by clearing their own places at the end of the meal. Bed and bath linens are provided for guests in the Eva Walker Lodge. Rooms include 2 full beds and a private bathroom.

Adult or Family Per Person Rate

We offer a flat rate per person, regardless of room occupancy. For family style retreats, we require that approximately 60% of registrants be full-time attending adults and approximately 40% may be full-time attending youth.

Youth and Children Rate

We offer a flat rate per person for youth groups and children's ministry events. We require groups with minors to follow the Safe Sanctuary policy of the North Alabama Conference, or provide the equivalent standard of supervision for their organization.

Additional Rate Information

Housing is subject to minimum occupancy charge of 50%.

Booking less than 3 meals per night stayed: Should a group like to make a reservation for less than three meals per night stayed, the deduction allowance for all guests is as follows: Breakfast \$1, Lunch \$2, & Dinner \$3.

Missed Meals: There are no refunds for missed meals. Because we base our pricing off packages, if a conferee decides not to attend a meal during his/her conference stay, there will be no monetary deduction for doing so.

Recreational Fees: Additional recreation options (Archery, Ropes Course, Canoes, etc.) are available and fees vary depending on requests.

Part-time Guests: Throughout our many years of working with guest groups, we have come to realize that while allowing for part-time attendance may seem favorable initially, it actually ends up taking away from the overall community dynamic. Therefore, we do not encourage part-time attendance. However, should a retreat group need to accommodate a part-time guest, the minimum overnight charge will be the one night and three meal rate: Adult \$70, Youth/Children \$65.

Re-Booking Your Retreat:

Sumatanga enjoys continual relationships. Therefore, once your retreat has solidified a weekend date in our booking system, your group may have the opportunity to re-book that same weekend as it falls on the calendar for the upcoming year. Retreats have 2 weeks once their retreat ends to re-book for the following year. Should the 2-week period lapse, and no contract/deposit has been received, then the retreat dates will become available to other groups.
